**ORDER:**

In the reference 1<sup>st</sup> read above, the Government has issued operation rules for A.P. III Irrigation Project, Srisailem Right Branch Canal, Srisailem and Nagarjunasagar Systems.

2. In the reference 2<sup>nd</sup> read above, Sri Channa Linga Reddy S/o Ram Reddy and others, Anumula, Nalgonda District filed two PILs viz 252, 261, 300 & 302 of 2012, in the Hon'ble High Court of A.P., against release of water from Srisailem and Nagarjunasagar Project (NSP) to Krishna Delta Ayacut below Minimum Draw Down Level (MDDL) of 834 and 510 ft respectively is contrary to the directives issued by the Govt., vide G.O.Ms.No.69, I & CAD (PW:SRSP.II (2)) Dept., dated: 15.6.1996, wherein it stated that all the releases would be stopped below 834 feet.

3. Whereas, in the reference 3<sup>rd</sup> read above, based on the common orders of the APHC, Hyderabad, the ENC (I), Hyderabad, has informed that there are some lapses in implementing the G.O.Ms.No.69, I & CAD (PW:SRSP-II(2)) Department, dated 15.6.1996, and the findings will be based on the statistics of water levels in different years, which are less than +834 feet. The previous statistics, the level in NSRSSP was maintained below +834.00 feet due to deficient rainfall. Moreover the water below 834 feet at Srisailem cannot be used for any other purpose except for irrigation and drinking water below NSP duly generating power upto 798 feet at NSRSSP.

4. In the reference 4<sup>th</sup> read above, the ENC (I), Hyderabad, has recommended to considered the Committee Members for constitute a suitable High Level Committee for amending the G.O. Ms. No. 69 as per the requirements and necessity and last year experience, with in the purview of the same guideline.

Contd.....2

5. The Government after careful examination of the matter have decided to Constitute a suitable High Level Committee for amending the G.O. Ms.No.69, I & CAD (PW.SRSP.II (2)) Department, dated. 15.6.1996, as per the requirements and last year experience, with in the purview of the same guidelines and functions. The Committee Members are as follows:

1.	Engineer - in - Chief (Irrigation)	Chairman
